

Let's enjoy learning Japanese!!

NPO Nagareyama International Friendship Association (NIFA) offers Japanese language classes.

- NIFA provides classes for people from other countries to learn Japanese.
- NIFA has two classrooms: the Central Community Center Classroom and the Edogawadai Classroom.
- Those wishing to learn can choose either one.
- Both classrooms conduct lessons with a teacher and one or two students.
- Classes at both classrooms are 90 minutes long.
- Before starting lessons at either classroom, we conduct interviews to understand the learners' goals and assess their Japanese ability to create a suitable lesson plan for each.
- To take lessons, you are required to pay NIFA's annual membership fee (¥2,000).

Central Community Center Classroom

- Held every Wednesday from 10:00 AM to 11:45 AM in the Central Community Center meeting room.
- This is a joint program with the Central Community Center.

- In addition to lessons, we hold annual "Experience Learning Sessions" and "Potluck Parties" to let the students experience Japanese culture, and make presentation in their Japanese. We treasure interaction among participants.

Edogawadai Classroom

- Locations include the Edogawadai Support Center, Nagareyama City Lifelong Learning Center, and other venues accommodating students' schedules and convenience.
